
GAU SEVA OUR SACRED RESPONSIBILITY

Serving Gau Mata with compassion through rescue, nourishment, medical care, shelter, and lifelong protection.

SEVA. SAMMAN. SURAKSHA.

WHERE COMPASSION
BECOMES ACTION,
EVERY LIFE MATTERS.

VOICELESS SUFFERING, EVERY DAY

Despite being sacred, countless cows suffer silently due to neglect, hunger, and unsafe surroundings.

PLASTIC CONSUMPTION

Eating plastic from garbage causes painful internal injuries and slow deaths.

ROAD ACCIDENTS

Stray cows are frequently hit by speeding vehicles while searching for food.

INJURIES & DISEASE

Untreated wounds and illnesses often become life-threatening.

HUNGER & MALNUTRITION

Lack of proper food and clean water weakens their health every day.

ABANDONMENT

Old and sick cows are left alone without care or shelter.

UNSAFE LIVING

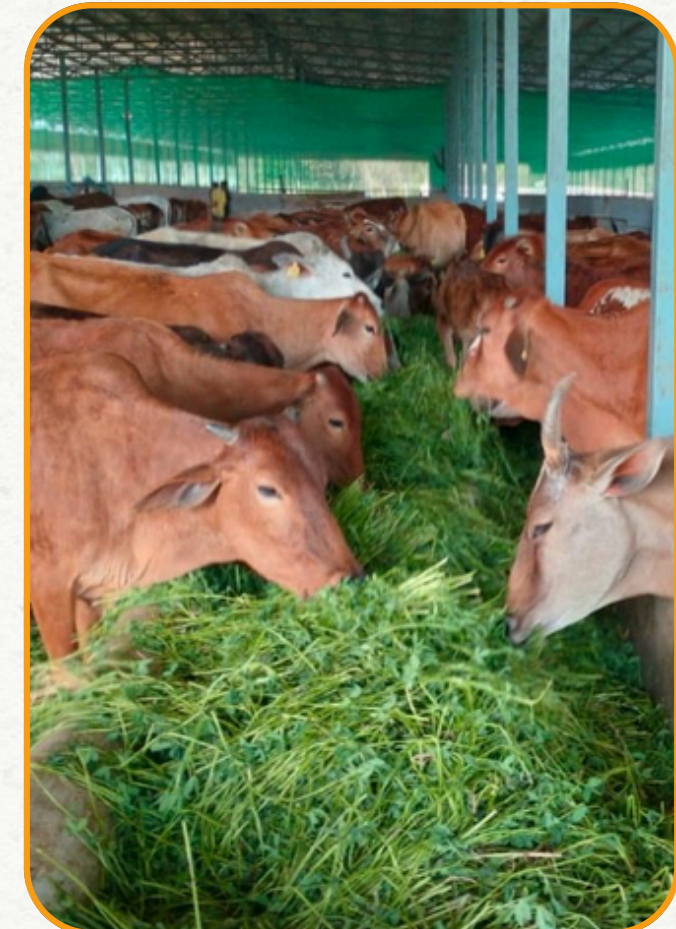

Garbage dumps and busy roads have become their unfortunate homes.

SEVA IN ACTION, EVERY DAY

Every rescued cow receives compassionate care and a second chance at life.
